

Braille Music 2021 Installation Instructions

- Navigate to:
- <https://braillemusiceditor.com/>
- Download Braille Music 2021 along with the Jaws or NVDA scripts.
- Note you can choose to download a demo which will work for 60 days, or buy the product through the shop. A single installation costs 364 euro. SVRC provides licenses through the library.
- Run the Braille Music 2021 installation program, then the Jaws or NVDA scripts installation program for your version.

Setting options

When running Braille Music 2021 for the first time, ensure you compile the scripts:

- Jaws: Jaws key 0 for the script manager
- Control + S to save
- Alt + F4 to exit the script manager.

Make sure the following are set to ensure best results:

- Alt + O for options, down arrow to play notes and press enter to check this option.
- Keyboard options: set to line
- Speech options: set to objects level 2.
