

## CAMPS AND EXCURSIONS POLICY

### Help for non-English speakers

If you need help to understand the information in this policy, please contact Statewide Vision Resource Centre.

This Statewide Vision Resource Centre policy is available in braille hard copy and etext format from our administration upon request.

### PURPOSE

To explain to our community the processes and procedures Statewide Vision Resource Centre will use when planning and conducting camps, excursions, and adventure activities for students.

### SCOPE

This policy applies to all camps and excursions organised by Statewide Vision Resource Centre. This policy also applies to adventure activities organised by Statewide Vision Resource Centre, regardless of whether or not they take place on or off school grounds.

This policy is intended to complement the Department's policy and guidelines on excursions, camps, and adventure activities which all Victorian government schools are required to follow. Statewide Vision Resource Centre will follow both this policy, as well as the Department's policy and guidelines when planning for and conducting camps and excursions. This policy does not apply to student workplace learning or intercampus travel.

### DEFINITIONS

**Excursions**, for the purpose of this policy, excursions are activities organised by the centre where the students:

- are taken out of the school grounds (for example, a camp, day excursion, school sports).
- undertake adventure activities, regardless of whether or not they occur outside the school grounds.

**Camps** are excursions involving at least one night's accommodation (including sleepovers).

**Local excursions** are excursions to locations within walking distance of the centre and do not involve 'Adventure Activities'.

**Adventure activities** are activities that involve a greater than normal risk. Further information and examples of adventure activities are available on the Department's [Policy and Advisory Library](#).

## **POLICY**

Camps and excursions can provide a valuable educational experience for our students which are complementary to their learning, as they provide access to resources, environments and expertise that may not be available in the classroom

For all camps and excursions, including adventure activities, our school will follow the Department's Policy and Advisory Library: [Excursions](#).

### **Planning process for camps and excursions**

All camps and excursions will comply with Department planning requirements.

Part of this planning process includes conducting risk assessments, to ensure that reasonable steps are taken to minimise the risks associated with each proposed camp or excursion. Statewide Vision Resource Centre's risk assessment will include consideration of arrangements for supervision of students and consideration of the risk of bushfire activity in the excursion location. In the event of a Code Red Day being announced, excursions or camp activities in effected locations will be cancelled or rescheduled. Planning will also cover arrangements for cancelling, recalling, or altering the camp or excursion for any other reason.

Statewide Vision Resource Centre is committed to ensuring students with additional needs are provided with an inclusive camps and excursions program and will work with families during the planning stage, as needed, to support all students' attendance and participation in camp and excursion activities.

In cases where a camp or excursion involves a particular Support Skills Program group, the Organising Teacher will ensure that there is an alternative educational program available and appropriate supervision for those students not attending the camp or excursion.

### **Supervision**

Statewide Vision Resource Centre follows the Department's guidelines in relation to supervision of students during excursions and camps.

All excursion staff (including parent volunteers) will be familiar with supervision requirements and the specific procedures for dealing with emergencies on each camp and excursion.

All staff will be aware that they retain overall responsibility for the supervision and care of students throughout all camps and excursions (including adventure activities), regardless of whether or not external providers are managing the activity.

### **Parent volunteers**

Parents may be invited to assist with camps and excursions. Statewide Vision Resource Centre staff will notify parents/carers of any costs associated with attending. Staff are in charge of camps and excursions and parent/carers are expected to follow teachers' instructions. When deciding which parents/carers will attend, the Organising Teacher will take into account: any valuable skills the parents/carers have to offer (e.g., bus licence, first aid etc.) and the special needs of particular students.

## **Volunteer and external provider checks**

Statewide Vision Resource Centre requires all parent or carer camp or excursion volunteers and all external providers working directly with our students to have a current Working with Children Check card.

## **Parent/carers consent**

For all camps and excursions, other than local excursions, Statewide Vision Resource Centre will provide parents/carers with a specific consent form outlining the details of the proposed activity. Statewide Vision Resource Centre uses email or in person to inform parents about camps and excursions and to seek their consent. Parents/carers are encouraged to contact the centre to discuss any questions or concerns that they or their child may have with a proposed camp or excursion.

For local excursions, Statewide Vision Resource Centre will provide parents and carers with an annual Local Excursions consent form at the start of each school year or upon enrolment if students enrol during the school year. Statewide Vision Resource Centre will also provide advance notice to parents/carers of an upcoming local excursion through email or in person. For local excursions that occur on a recurring basis (for example weekly outings to the local oval for sports lessons), Statewide Vision Resource Centre will notify parents once only prior to the commencement of the recurring event.

## **Cost of camps and excursions, refunds, and support**

The cost of all camps and excursions are to be paid by parents/carers unless alternative arrangements have been agreed to by the Assistant Principal prior to the excursion. All families will be given sufficient time to make payments for all activities. Consent forms will have clearly stated payment amounts and payment finalisation dates.

Students who have not finalised payment by the required date will not be allowed to attend unless the Assistant Principal determines exceptional circumstances apply.

Statewide Vision Resource Centre will make all efforts to ensure that students are not excluded for financial reasons. Families experiencing financial difficulty are invited to discuss alternative payment arrangements with the Principal or Assistant Principal. The Business Manager and Assistant Principal can also discuss family eligibility for the Department's Camps, Sports, and Excursions Fund (CSEF), which provides payments for eligible students to attend school activities, including camps and excursions. Applications for the CSEF are open to families holding a valid means-tested concession card or temporary foster parents and are facilitated by the centre. Further information about the CSEF and the application form are available at [Camps, Sports and Excursions Fund](#).

If a camp or excursion is cancelled or altered by the centre, or a student is no longer able to attend part or all of the camp or excursion, our centre will consider requests for partial or full refunds of payments made by parents/carers on a case-by-case basis taking into account the individual circumstances. Generally, we will not be able to refund payments made for costs that have already been paid where those funds have already been transferred or committed

to a third party and no refund is available to the school. Where possible, we will provide information about refunds to parents/carers at the time of payment.

### **Student health**

Parents and carers need to ensure the centre has up-to-date student health information prior to camps and excursions. A member of staff will be appointed with responsibility for the health needs of the students for each camp/excursion. Teachers will administer any medication provided according to our *Medication* policy and the student's signed *Medication Authority Form*. To meet the centre's obligations relating to safety, a first aid kit and mobile phone will be taken by teachers on all camps and excursions.

It is the responsibility of parents and carers to ensure their child/children are in good health when attending excursions and camps. If a student becomes ill during a camp and is not able to continue at camp it is the parent/carer's responsibility to collect them and cover any associated costs. If the Assistant Principal approves a student joining a camp late, transport to the camp is the parent/carer's responsibility.

### **Behaviour expectations**

Students participating in camps and excursions are required to cooperate and display appropriate behaviour to ensure the camp or excursion is a safe, positive and educational experience for all students involved.

Parents/carers will be notified if their child is in danger of losing the privilege to participate in an excursion or camp due to behaviour that does not meet the standards of behaviour set out in the centre's *Student Wellbeing and Engagement Policy*. The decision to exclude a student will be made by the Principal or Assistant Principal, in consultation with the Organising Teacher. Both the parent/carer and the student will be informed of this decision prior to the camp or excursion.

If on a camp or excursion the Teacher in Charge considers an individual student's behaviour does not meet required standards, then the Principal or their nominee may determine that a student should return home during the camp or excursion. In these circumstances the parent/carer is responsible for the collection of the student and any costs associated with this.

Disciplinary measures apply to students on camps and excursions consistent with our school's *Student Wellbeing and Engagement Policy*, *Student Code of Conduct* and *Bullying Prevention Policy*.

## Electronic Devices

Students will not be permitted to bring electronic devices to camps or excursions except with prior approval from the Assistant Principal. The Assistant Principal will only approve students bringing electronic devices to a camp or excursion in exceptional circumstances and when it is in the best interests of the student and may place conditions on its location and use during the camp or excursion.

## Food

Students are not permitted to bring their own supply of food items to camps and excursions unless the item is medically indicated and discussed with the Organising Teacher or included as an item on the clothing and equipment list for that camp or excursion.

## Accident and Ambulance Cover

Any costs associated with student injury rest with parents/carers unless the Department is liable in negligence (liability is not automatic).

Unless otherwise indicated, Statewide Vision Resource Centre and the Department do not provide student accident or ambulance cover. Parents/carers may wish to obtain student accident insurance cover and/or ambulance cover, depending on their health insurance arrangements and any other personal considerations
